Mark Stennett, NA6M  
418 Sunset Drive  
Georgetown, TX 78628

Dear Mark:

This letter is being sent to you as the most recent known President of the National Frequency Coordinators Council, with copies to the most recent known NFCC officers and directors.

As you know, the ARRL and NFCC entered into a revised Memorandum of Understanding in March 2013. Since that time we have become increasingly concerned that NFCC is no longer functioning. In our brief conversation earlier this month you told me that the terms of the NFCC office-holders have expired and that no new elections have been held or are currently planned. Accordingly, it appears that under Article X of the Bylaws of the NFCC as published on the website, it is now up to the voting members of NFCC either to replace the Board of Directors or to dissolve the organization:

#### Article X. Dissolution

B434 : In the event of the cessation of any activities of the Board  
B435 : of Directors for a period of at least fifteen (15) calendar  
B436 : months, the then remaining NFCC voting members may either  
B437 : replace the entire Board by Membership vote, or otherwise it  
B438 : may resolve to dissolve the Board of Directors and turn over  
B439 : management and control of the NFCC to the ARRL. Upon  
B440 : approval by seventy-five percent (75%) of such NFCC members,  
B441 : whether at an in-person meeting or by mail-in ballot, the  
B442 : Officers shall (1) pay all outstanding bills, if assets  
B443 : permit, (2) surrender the corporate charter, and (3)  
B444 : transfer any and all remaining assets to the American Radio  
B445 : Relay League Foundation.

■ Rick Roderick, K5UR  
President

■ Gregory P. Widin, KØGW  
First Vice President

■ Brian Milesosky, N5ZGT  
Second Vice President

■ Jay Bellows, KØQB  
Vice President International Affairs

■ Rick Niswander, K7GM  
Treasurer

■ David Sumner, K1ZZ  
Chief Executive Officer  
Secretary

■ Barry J. Shelley, N1VXY  
Chief Financial Officer

■ Harold Kramer, WJ1B  
Chief Operating Officer

■ Brennan Price, N4QX  
Chief Technology Officer
